FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. Infinity System S.L. requests that the following documents regarding this submission for FCC ID: **2AC99-TM5QWM** be kept confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Circuit Diagram.pdf
Operational Description	circuit description for fcc.pdf
Part list	BOM.pdf
Tune-Up-Procedure	Tune up procedure.pdf

Those documents contain detailed system and equipment description and related information about the product which Infinity System S.L. considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, Infinity System S.L. considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Yours Sincerely,

Enrique Villar Blanco
