Wink Labs, Inc. has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Permanent Confidentiality:

The applicant requests the exhibits listed above as be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

Third Party Confidentiality:

This request includes third party confidentiality for items not allowed to be accessed by Wink Labs, Inc. The third party and its confidentiality documents are listed as below
