Warning: changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

SUPER 458 1:14 R/C model

# 458 SUPER THE CAR

To customers:

1. While playing the remote control car indoors, please take care not to cause any damage of the furniture or glasses.
2. In case of any danger, don't play in the road or crowd. Please play it in safe places outdoors.
3. While playing it outdoors, if there is thunder, stop playing it at once.
4. To avoid the malfunction of the circuit, please don't play it in places with water or sand.
5. Never fold the antenna improperly. If it's broken, its sharp part may cause injury.
6. Don't drag the wire of its body, because it may lose some functions when the wire is broken.
7. When the wheels are running, never touch them with hands to avoid injury. Pay attention not to entangle hair or clothes etc.
8. Never run the remote control car towards people.
9. Never leave about or crash the remote control car.
10. Please keep the remote control car away from fire or heat.
11. This car is equipped with complicated circuits and electronic parts. Please don't disassemble or refit the circuit board.
12. When the car slows down or it's out of control, please replace it with new batteries.
13. In order to prolong batteries, please do as follows:
  - \* Please remove batteries when it's not used for a long time.
  - \* While replacing it with new batteries, use the new ones only. Don't mix new and old ones.

Caution for using batteries:

- While placing batteries, please insert them as per the polarities.
- Never mix new and old batteries.
- Don't charge the non-rechargeable batteries.
- Please don't mix alkaline, carbonic or rechargeable batteries.
- When the car is not used, batteries must be taken out.
- Please check its wires, plug, outer cover and other parts regularly. If any of them is damaged, please stop using and repair it.
