Re: Confidentiality Request for FCC ID 2ACBE-0610

Scituate LLC and its affiliates (“Scituate”) write to seek confidential treatment in connection with its Equipment Authorization for FCC ID 2ACBE-0610.

Scituate requests **short term confidentiality** of 180 days after the equipment authorization grant date, under FCC Regulations Section 0.457 and 0.459 for the following documents:

1. User manual
2. Test set-up photos
3. External and Internal pictures
4. Antenna photos

These documents reflect Scituate’s confidential trade secrets, including technical and design information. The information contained in these documents is not shared with third parties without a signed confidentiality agreement and Scituate would experience a competitive disadvantage if this information were made known to the public prior to the product’s public launch.

Scituate requests **long term (permanent) confidentiality** under FCC Regulations Section 0.457 and 0.459 for the following documents:

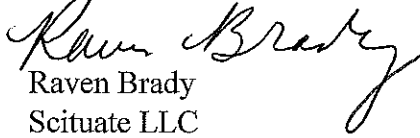

1. Schematics
2. Operation Description
3. Block Diagram

Scituate LLC

These documents reflect Scituate's highly confidential trade secrets, including detailed technical and design information. The information contained in these documents is not shared with third parties without a signed confidentiality agreement and Scituate would experience a severe competitive disadvantage if this information were made known, even after the product's public launch.

Please contact me if you need any additional information to process this request.
