A handheld antenna assembly is shown against a grey background. The antenna is a square, gold-colored component mounted on a green substrate, which is held in a black plastic frame. The frame has four mounting tabs. A white label is affixed to the antenna. To the left of the antenna is a vertical ruler with millimeter markings from 10 to 130. Below the antenna is a horizontal ruler with millimeter markings from 10 to 140. A white cable is connected to the right side of the antenna assembly.
