...tion of memory occupied by pre-loaded software.

Enclosed phone is an Alcatel 3V™ distributed by Metro® by T-Mobile. Monthly service required to make calls other than 911 calls. Coverage and services, including 4G LTE, not available everywhere. Wi-Fi usage does not count toward any monthly data allotment, if any. Phone may not transition between Wi-Fi networks and the cellular network. Devices may be vulnerable to unauthorized attempts to access data and software stored on the device. Use of Metro services acknowledges acceptance of our Terms and Conditions of Service (including arbitration provision) found at metrobyt-mobile.com/terms. Visit metrobyt-mobile.com or a Metro store for information on specific Terms and Conditions of Service, local coverage area, phone capabilities, and any restrictions. During congestion, Metro customers may notice reduced speeds vs. T-Mobile customers. See store or metrobyt-mobile.com for details, restrictions and Terms and Conditions of Service (including arbitration provision). Metro services for personal use only. Rates, services and features are subject to change without notice. Some features may depend on services from your carrier or require an additional purchase. Some applications are preloaded on phone, but use of these applications may incur an additional charge. Your device may not work if you alter its original software. **Hearing aid compatibility:** This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or the manufacturer of this phone for information on hearing aid compatibility. If you have questions about return or exchange policies, consult your service provider or phone retailer.
