

TCL

TCL 30 XE 5G

HAC Ratings: M3/T3
Hearing Aid Compatibility: This phone has been tested and rated for use with hearing aids for some of the wireless technologies that it uses. However, there may be some newer wireless technologies used in this phone that have not been tested yet for use with hearing aids. It is important to try the different features of this phone thoroughly and in different locations, using your hearing aid or cochlear implant, to determine if you hear any interfering noise. Consult your service provider or TCL for information on hearing aid compatibility.

Device and screen images simulated. Appearance of phone may vary. Features and specifications subject to change. Registration, terms of use, privacy policy, and operator fees apply. Items imported. See each item for country of origin. Contains Lithium-ion battery, dispose per local regulations and not as household waste. Use only approved accessories for use with this model. FCC ID: 2ACCJH155. See enclosed materials for manufacturer's Limited Warranty and important user guide information. Safety information can be found in the enclosed Health & Safety Information.

TCL is a registered trademark of TCL Technology Group Corporation.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
