Subject: FCC Class II Permissive change for FCC ID: 2ACCJN058

To whom it may concern:

This is to request a Class II Permissive change for FCC ID: 2ACCJN058, originally granted on Jan.11, 2022.

The Major change filed under this application is as below:

Add 5G NSA n2/n5/n77/n66 & 5G SA n70/n2/n5 & LTE CA_5B(DL only) by software.

As the concern above, we performed NR/SAR/HAC test for 5G NR band n2/n5/n70/n66. The other test results all come from the initial model of T779W.

Thank you.
Sincerely,

A handwritten signature in black ink, appearing to be 'Zi Xiaogang', written in a cursive style.
