

Canary Connect, Inc.

606 W. 28th St., 7th Fl., New York, NY 10001

We, Canary Connect, Inc., declare that this EUT (FCC ID: 2ACDL-C400) doesn't have ad Hoc Mode function on "non-US/Canada frequencies". In addition, the frequency selection feature is disabled by firmware for devices marketed to the US/Canada. For DTS part of this device, only channels 1-11 will be used in North America. Country code selection is disabled.

Should you have any questions or comments regarding this matter, Please have my best attention.

Sincerely yours,
