**Re: Spire Identification Label Pursuant to 47 CFR 2.925
and 2.1033(c)(11); and RSP100, Section 5 and
RSS Gen, Section 5.2**

Location

On the rear of the device, laser etched into the plastic housing's surface. The text is located below the attachment point of the device's metal clip. The clip is easily deflected and is user replaceable.

Markings

Application: FCC ID 2ACF5S1 / IC: 12129A-S1
