**FCC ID: 2ACHL-AIR104G**

To Whom It May Concern:

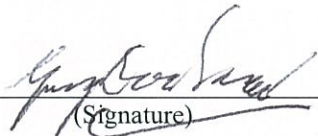

In accordance with §0.457(d) and §0.459 of CFR 47, **ResMed Ltd** (ACN 003 765 142) requests permanent confidentiality for the following items

1. CB-16-0125 Block Diagram
2. CB-16-0125 Schematic Diagram
3. CB-16-0125 Part List
4. CB-16-0125 Operational Description
5. CB-16-0125 Tune-Up Information

These items contain detailed system and equipment description and related information about the product which **ResMed Ltd** considers to be proprietary and confidential to the ResMed Group and a custom design, which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, **ResMed Ltd** also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would harm **ResMed Ltd** and the members of the ResMed Group by giving our competitors an unfair advantage in the market and diminishing the value of our investment in research even after commercial release of the product.

Sincerely,

Greg Dockar  
Senior Regulatory Affairs Manager
