RE: Certification Application  
FCC ID: 2ACK7SBST902v22

To Whom It May Concern:

Please be advised that the following information is to be held confidential on behalf of *SIGFOX*.

- BOM
- Schematic
- PCB Artwork
- Operational Description
- Block Diagram

The device is not accessible to the public. It is installed inside telecommunication shelters or telecommunication towers with restricted access.  
The access is strictly limited to professional designated technical with specific authorisation. During operation there is no need for manual access or control. The base station is operating with remote control.

The application contains technical information which *SIGFOX* deems to be trade secrets and propriety. If made public, the information might be used to the disadvantage of the applicant in the market place.

Thank you for your attention to this matter.

Yours faithfully

SIGFOX

Susana Barreiro Mouriz, SIGFOX certification Manager
