

Unique Broadband Systems Ltd.

Toronto August 13, 2015

**To Whom It May Concern**

**Subject: Affidavit Letter**

**Applicant: Unique Broadband Systems Ltd.**  
**FCC ID: 2ACLT-DRU2KW**

I, **Catalin O. Popescu, P.E., P.Eng** swear or affirm:

1. That the DRU-2KW transmitter includes a device called the Battery Management System (BMS) that supplies DC power to the signal exciters
2. The BMS includes an external temperature sensor that monitors the temperature in the cabinet where the signal exciters are housed
3. The BMS will shut down DC power to the exciters, thus shutting down the DRU-2KW transmit signal whenever it senses that the temperature goes below -10°C or above +65°C

I swear or affirm that the above and foregoing representations are true and correct to the best of my information, knowledge and belief.
