

# FCC Label Location

PS E R204-520165

FCC ID:2ACQ5-LTB211C  
LTB211C 7W 500lm  
AC100-120V 50/60Hz  
Made in China

RoHS

The image shows a collection of regulatory and compliance symbols and text. On the left, there are two circular logos: one with 'PS' over 'E' and another with a lightning bolt over a ground symbol. To their right is a square logo with 'R' and the number '204-520165'. Further right is a triangle with a lightning bolt and a slash through it. Below these are a house icon and a crossed-out trash can icon. On the far right, there is a checkmark above the text 'RoHS' and another crossed-out trash can icon. The text 'FCC ID:2ACQ5-LTB211C', 'LTB211C 7W 500lm', 'AC100-120V 50/60Hz', and 'Made in China' is centered below the logos. A red dotted line is drawn under the text, and a blue arrow points from the 'Made in China' text down to the photograph below.
