# ASSEMBLY INSTRUCTIONS

## STEP 1:

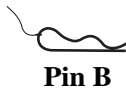

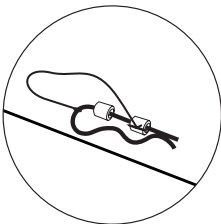

Unfold the top portion of the chair until the backrest is flush with the seat portion, see the below picture 1.

Align the hinges A and secure with pin B. Cover the hinge with the flap and fasten the velcro strip.

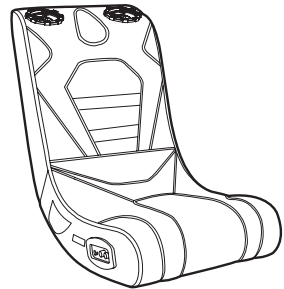

For storage remove the pin, fold and store.

**Picture 1**

**Pin B**

**Picture 2**

# ASSEMBLY INSTRUCTIONS

## STEP 2:

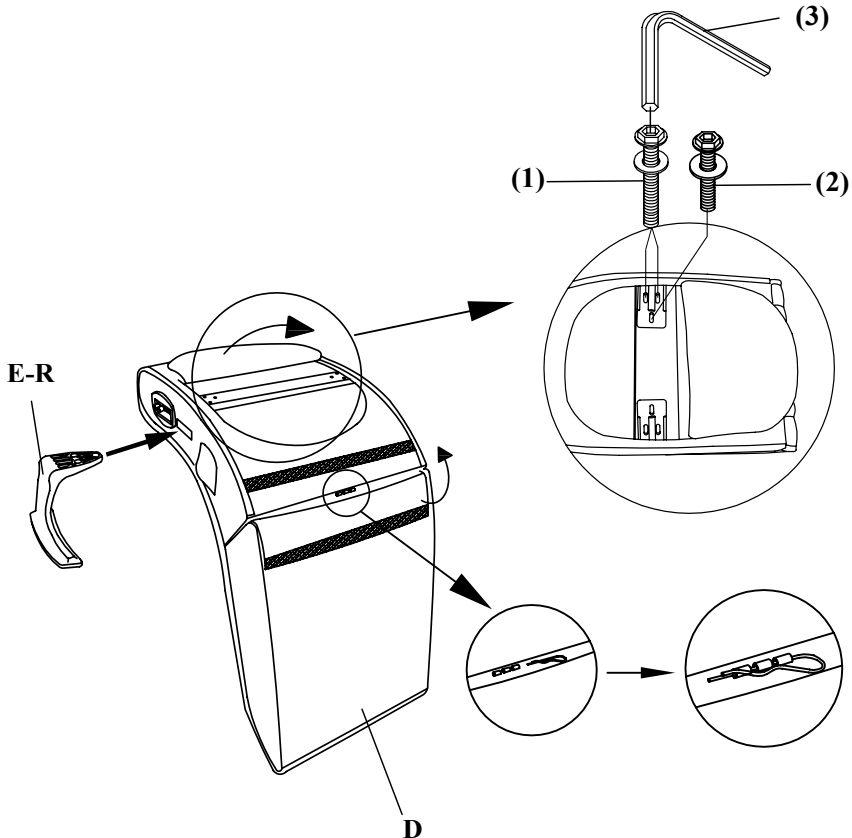

**Pull open the zipper from chair bottom.**

**Attach each arm (E-R and E-L) to the cushion (D) with allen key (3) and 4 1/4"x1-1/2" & Ø18xØ6.5x1.5mmT bolts (1) and 2 1/4"x1-1/4" & Ø18xØ6.5x1.5mmT bolts (2).**

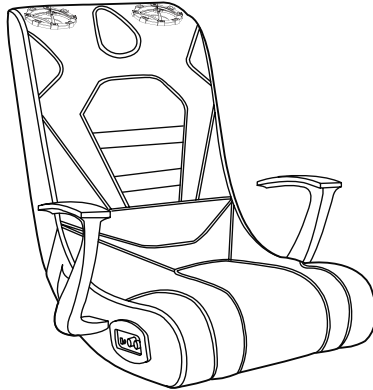

**Do not fully tighten until all bolts have been hand tightened.**

**Then tighten all bolts securely using the supplied allen key (3).**

**HINT: Please do not tighten all the bolts,  
until all the bolts are attached and barely tightened first.  
This makes assembly easier!**

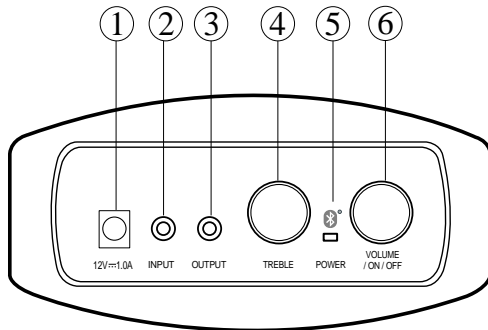

# PRODUCT DESCRIPTION

## CONTROL PANEL

- (1) Power DC port 12V $\Rightarrow$ 1.0A
- (2) Audio in ports
- (3) Audio out port
- (4) Treble
- (5) Bluetooth indicator /Power
- (6) Volume/on/off

### NOTE:

During shipment the gaming chair has been packed carefully to arrive in a safe condition.

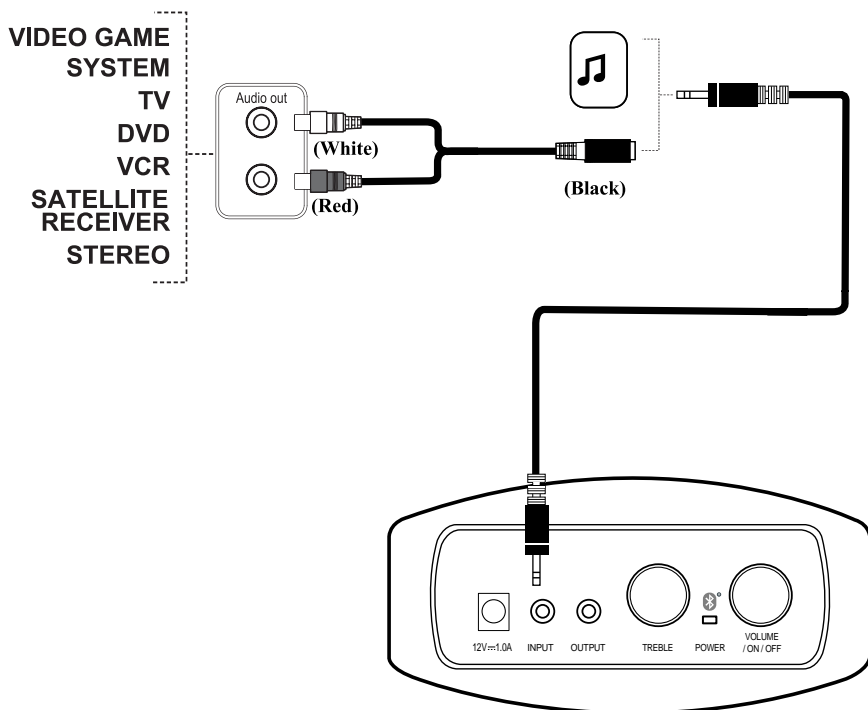

A cardboard sheet has been placed between the seat and backrest to protect the mesh and the speakers.

## CAUTION:

While storing in your home always replace the cardboard to protect the speakers and the seat fabric.

- 1) Connect the 12-volt DC power adapter to the electrical outlet and then to the power DC port on the control panel.
- 2) Twist the volume knob clockwise to turn the power On.
- 3) Check the control panel to ensure it is lit up. Twist the volume knob anti-clockwise to switch the power Off the Gaming chair and then proceed to the connection method shown overleaf for your audio/video device.

## CONNECTION METHODS

**Note:** Earphone hasn't included in the accessories, please purchase from electronic retailer.

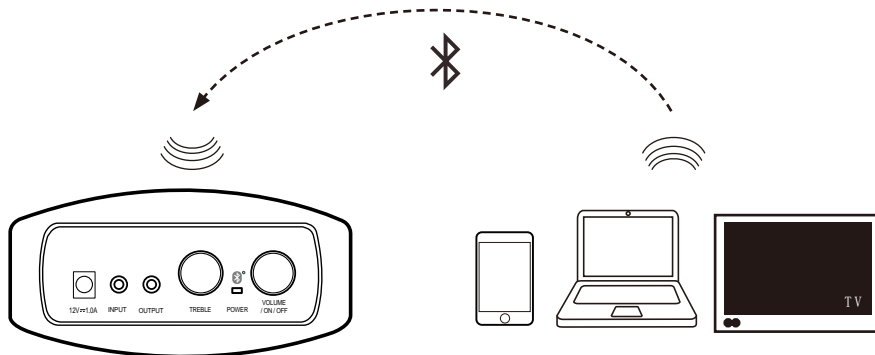

## BLUETOOTH CONNECTION TIPS

Before using bluetooth, make sure the audio cord is disconnected from input socket  
Locate Bluetooth Settings on your device and turn on Bluetooth connection.

On your device list, locate the name “GAMING CHAIR” and select for pairing. If you do not see “GAMING CHAIR” on you list make sure the chair is plugged in and powered on.

The Bluetooth light will be flashing when searching for a device. Once paired the blue light will stay on.

If prompted for a passcode enter “0000” then pair.

**WARNING:** Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user’s authority to operate the equipment.

FCC ID:2ACQB4001200

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

**NOTE:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.
