

For LR15 series:

**WARNING label:**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.

**ID Label:**

**FLOWLINE**

**EchoPulse™ LR15 - (1) (2) 1 (3) - (4) (5)**  
FCC ID: 2ACQELRYY  
Power Rating: 24 VDC  
Output: 4-20mA  
Process temperature and pressure:  
See manual and approval document  
Range (max.): 98.42 ft (30m)  
Enclosure rating: IP67 (NEMA 6)

For LR20 series:

**WARNING label:**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.

**ID Label:**

**FLOWLINE**

**EchoPulse™**      **LR20 - (1) 3 1 (2) - (3) 0**  
FCC ID:            2ACQELRYY  
Power Rating:    24 VDC  
Output:            4-20mA  
Process temperature and pressure:  
    See manual and approval document  
Range (max.):    65.61 ft (20m)  
Enclosure rating: IP67 (NEMA 6)

For LR30 series:

**WARNING label:**

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and  
(2) this device must accept any interference received, including interference that may cause undesired operation.
