

HARXON CORPORATION

THE DIFFERENCE INTRODUCTION

Our company's Wireless data transceiver models are as below:

- 1.HX-DU1603D(**Test Board**)
2. HX-DU16XXD series: From HX-DU1690D to HX-DU1698D
3. HX-DU16XXR series: From HX-DU1690R to HX-DU1698R

The only difference of the models is appearance. All the above models have the same PCB layout, interior structure and electrical circuits.
