

Beijing KiChina Co., Ltd.

Date: October 29, 2014

To: Federal Communications Commission
7435 Oakland Mills Road
Columbia, MD

FCC ID: 2ACV7MF003F

To Whom It May Concern:

The tail of MF 003F can be twisted off easily, other places are not enough to place the label. So label is placed inside the device. When user adjust the channel as the user manual follows at first time, they will easy to view the label.

Sincerely,

[signature]
