Re: FCC ID: 2ACWM-SONICLASS

To Whom It May Concern:

The following application is submitted on behalf of our client, Stanley Convergent Security Solutions, Inc. , for evaluation of their model SONIP ICLASS KP for certification under FCC Part 15.209.

The SONIP ICLASS KP is keypad which includes a 13.56 MHz HID RFID reader. The Keypad is the main display, programming, and user interface to the Sonitrol control panels.

The FCC ID: 2ACWM-SONICLASS was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive style with a large, stylized 'R'.
