To Whom It May Concern:

We, the undersigned, hereby attest to the fact that we will apply the SDOC procedure to the class B computer peripheral portion of this composite device. The testing laboratory must be accredited by a Commission approved accreditation body or designated under the terms of a government-to-government Mutual Recognition Agreement (MRA). A listing of those accredited testing laboratories that have been recognized by the Commission is published on the FCC Webpage: <https://apps.fcc.gov/oetcf/eas/reports/TestFirmSearch.cfm> Select the "accredited" option to search for FCC recognized accredited test firms.
