RE: Tune-Up procedure for (EUT NAME/MODEL # AND FCC ID#)

To Whom It May Concern:

There is no tune-Up procedure for this device. The device is factory tuned and the end user does not have the ability to tune it.

Please contact me if there is any information you may need.

Sincerely,

A handwritten signature in black ink. The signature is stylized, starting with a large 'M' and ending with a long, sweeping horizontal line.
