

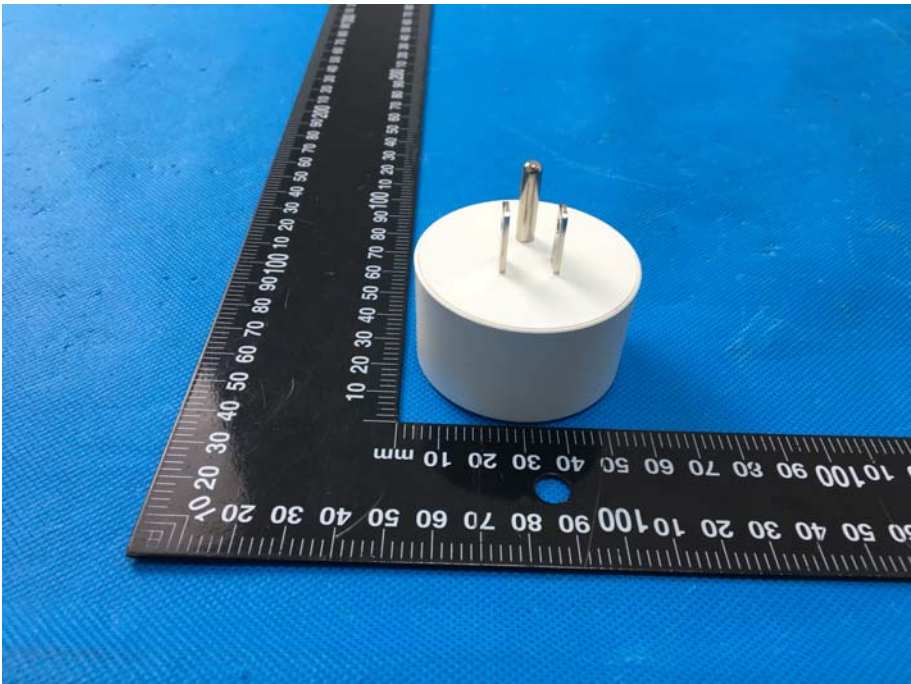

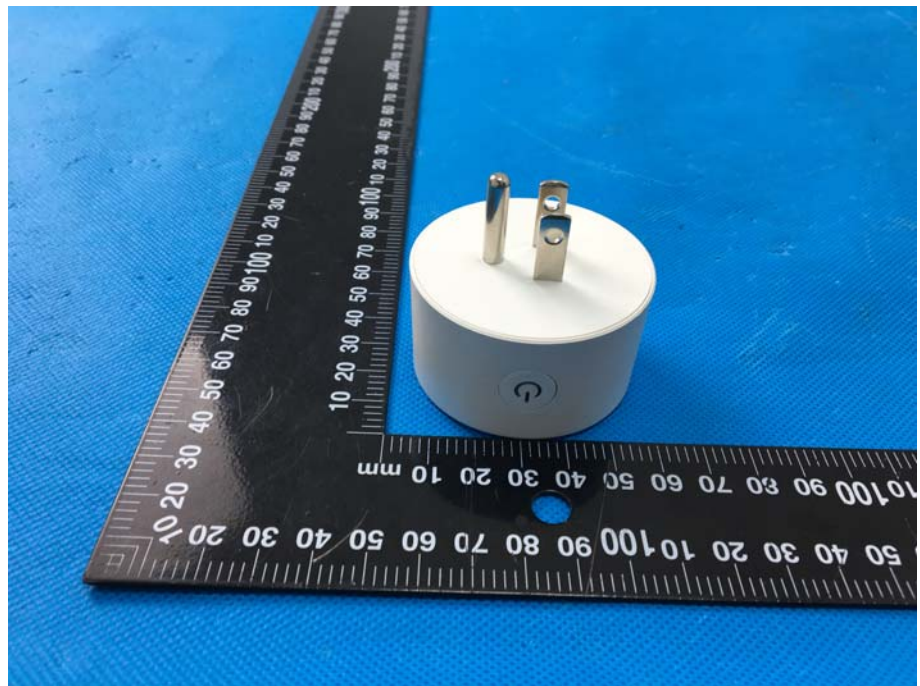

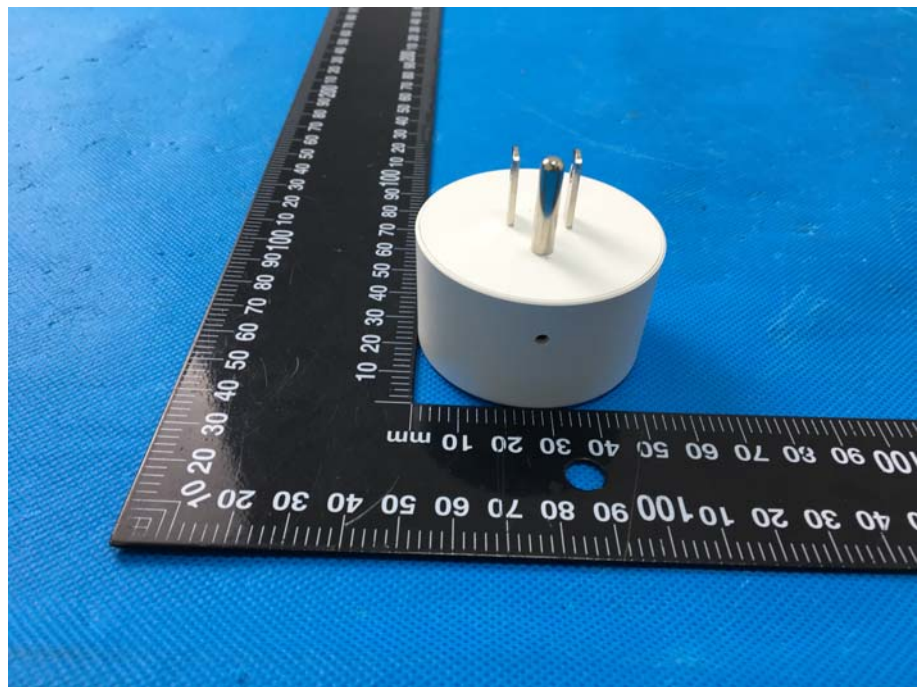

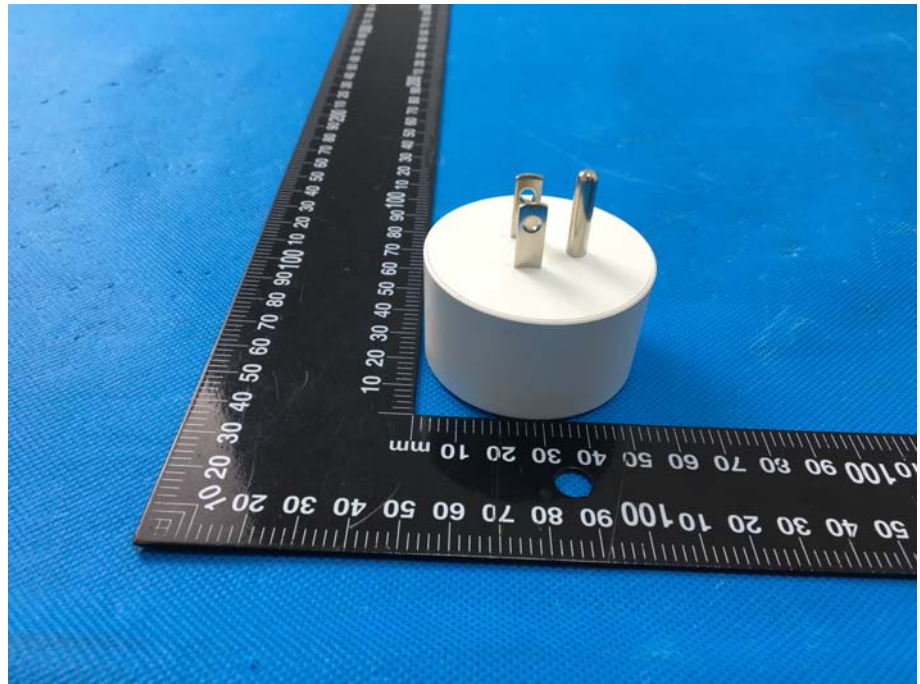

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a white, circular electronic component. It features two small, silver-colored pins on the left side and a single, taller silver-colored pin in the center. The component is placed on a blue textured surface next to a black L-shaped ruler. The ruler has white markings in millimeters and centimeters, with the component positioned near the 100mm mark on both axes.
EUT View 2	 A side-view photograph of the same white, circular electronic component. It shows the component's cylindrical shape and the three silver-colored pins protruding from its top surface. The component is placed on a blue textured surface next to a black L-shaped ruler, similar to the first view, for scale reference.
