MADE IN CHINA

Remark:

Due to there is no enough space on the product surface to stick the rating label, size for the rating label need to be design in a small paper.

So that is not able to print the warning(as below) on the label.

" This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions : (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation."
