

The following information is provided in support of the Minirig (MRM) FCC application

### FRM Number

0024268070

### Grantee Code

2AD65

### Marking Information

The label marking shall be on the bottom of the product taking up the whole flat area of the product base. This area has a diameter of 56mm. The FCC ID text is around 7pt in font size. This label is part of the injection moulding whereby all text and logos are indented into the plastic. We are waiting for the mould tooling so have enclosed the following representative images.
