**Inquiry on 04/10/2018 :****Inquiry:**

Hi,

I'm asking for authorization to place the FCC ID into the Sales Package and printed User Manual instead of the product itself.

Our product is Wellness Ring which the user will wear in her/his finger. The model name of the product is OURA and the FCC ID will be 2AD7V-OURA-1801. Please, see the product picture and data from our web page <https://ouraring.com/>.

I'm asking your permission to put FCC ID to the printed User Manual which will locate inside Sales Package, and also permission to put FCC ID to Product Data Label which will be stick to Sales Package.

Note that you gave similar permission to us when the previous product (FCC ID is 2AD7V- OURARING15001) was accepted in Nov 2015. I found this reply from my email box Response to Inquiry to FCC (Tracking Number 143129)
