Statement Post Market Surveillance for FCC ID: 2ADAT-T12S8

Gentlemen:

This letter is to state that this Torque Transducer, Type T12CV-S8-MPZxxxxxx, is designed for special applications in the high torque business. This transducer will be built only "on demand". This transducer will usually not be on stock.

Due to the fact that the production of this kind of transducer will be started only after an order income, the lead time will be around 4 months.

Sincerely,

A handwritten signature in blue ink, consisting of a large, stylized 'H' followed by a series of loops and a horizontal line extending to the right.

Dr.-Ing. Hans Schuster
