Host Label

A label will be affixed to the host device with the following text:

> Contains FCC ID: 2ADCB-RMODIT3
> Contains IC: 6715C-RMODIT3
> Acuity Brands Lighting Inc. RMODIT3
>
> This device complies with Part 15 of the FCC Rules.
> Operation is subject to the following two conditions:
> (1) This device may not cause harmful interference,
> and (2) this device must accept any interference
> received, including interference that may cause
> undesired operation.

The label will be properly sized to fit the application. If the host device is smaller than the palm of a hand, the label will be:

> Contains FCC ID: 2ADCB-RMODIT3
> Contains IC: 6715C-RMODIT3
> Acuity Brands Lighting Inc. RMODIT3

The label will be properly sized to fit the application.

Example:

User Manual:

The RMODIT3 user manual will contain all information required to create a label.
