Subject: C2PC/C3PC Request

IC: 6715C-RMODITHP
FCC ID: 2ADCB-RMODITHP

To Whom It May Concern:

We have added 250kbps data rate. No modifications were made to the hardware. The device is now capable of transmitting and receiving at 250kbps in the 900MHz ISM band. The output power has been lowered from 27dBm to 24 dBm when transmitting at 250kbps to satisfy the band-edge requirement. Modulation and spreading factor remain the same.

Yours sincerely,

Acuity Brands Lighting, Inc.
