FCC ID: 2ADDY-BR1

Re: **Confidentiality**

Request is hereby submitted by Amatis Controls, LLC to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR § 0.457(d) and 47 CFR § 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Detailed Operational & Functional Descriptions

Request is hereby submitted by Amatis Controls, LLC to withhold from public review for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing, certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept confidential for a period of 180 days from the date of Authorization:

- Internal photos
- User & Installation Manuals – The manual is technical and intended only for professional installation of the device not for use by the end-use customer.

Amatis Controls, LLC has invested considerable time and materials for research, development, design, and manufacturing the referenced product. Disclosure of the permanently confidential portions or other trade secrets within this application would give competitors significant competitive advantage in developing similar products, and also disclose successful implementation of unpublished, leading edge technology developed solely by Amatis Controls, LLC.

Sincerely,
