

Appendix D

Photographs

1. SAR measurement System
2. Photographs of Tissue Simulate Liquid
3. Photographs of EUT test position
4. EUT Antenna Locations
5. EUT Constructional Details

1. SAR measurement System

2. Photographs of Tissue Simulate Liquid

Photo 1: Tissue Simulant Liquid for HBBL600-10000MHz	NA
	NA

3. Photographs of EUT test position

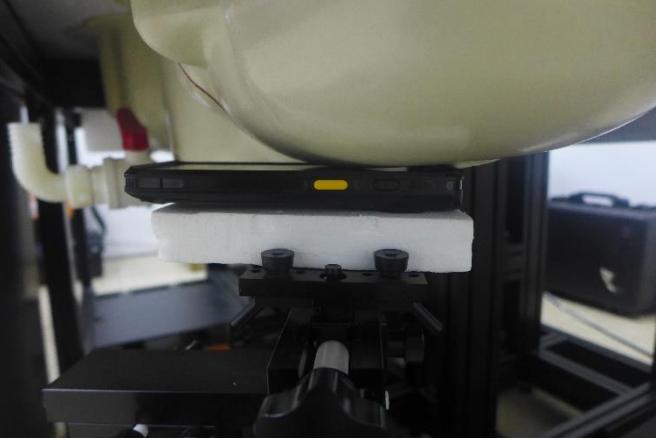

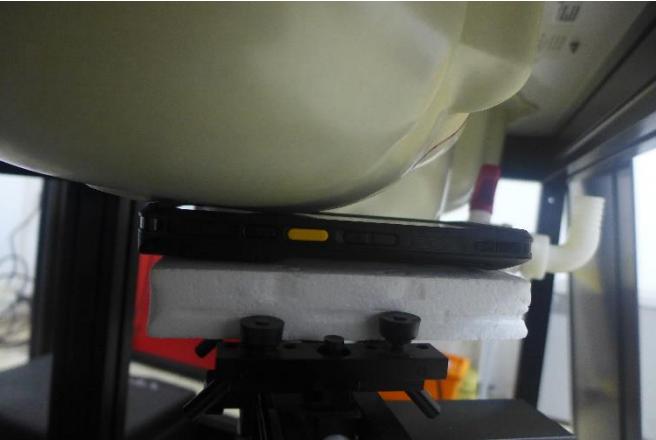

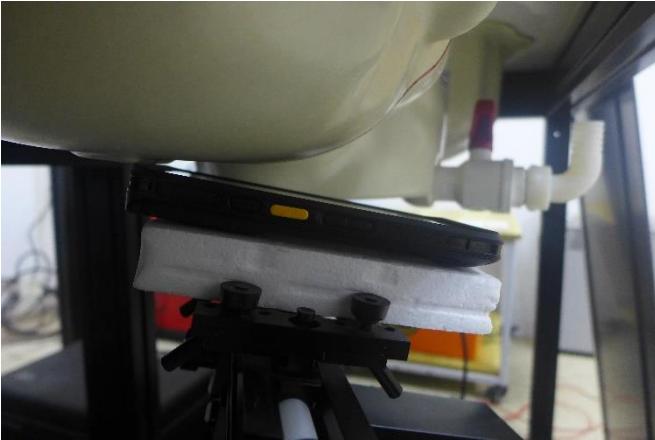

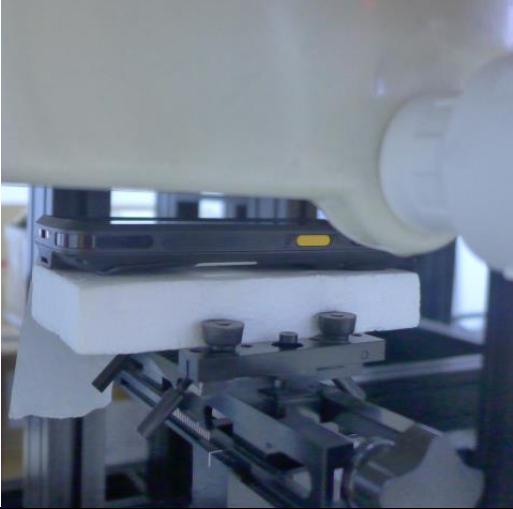

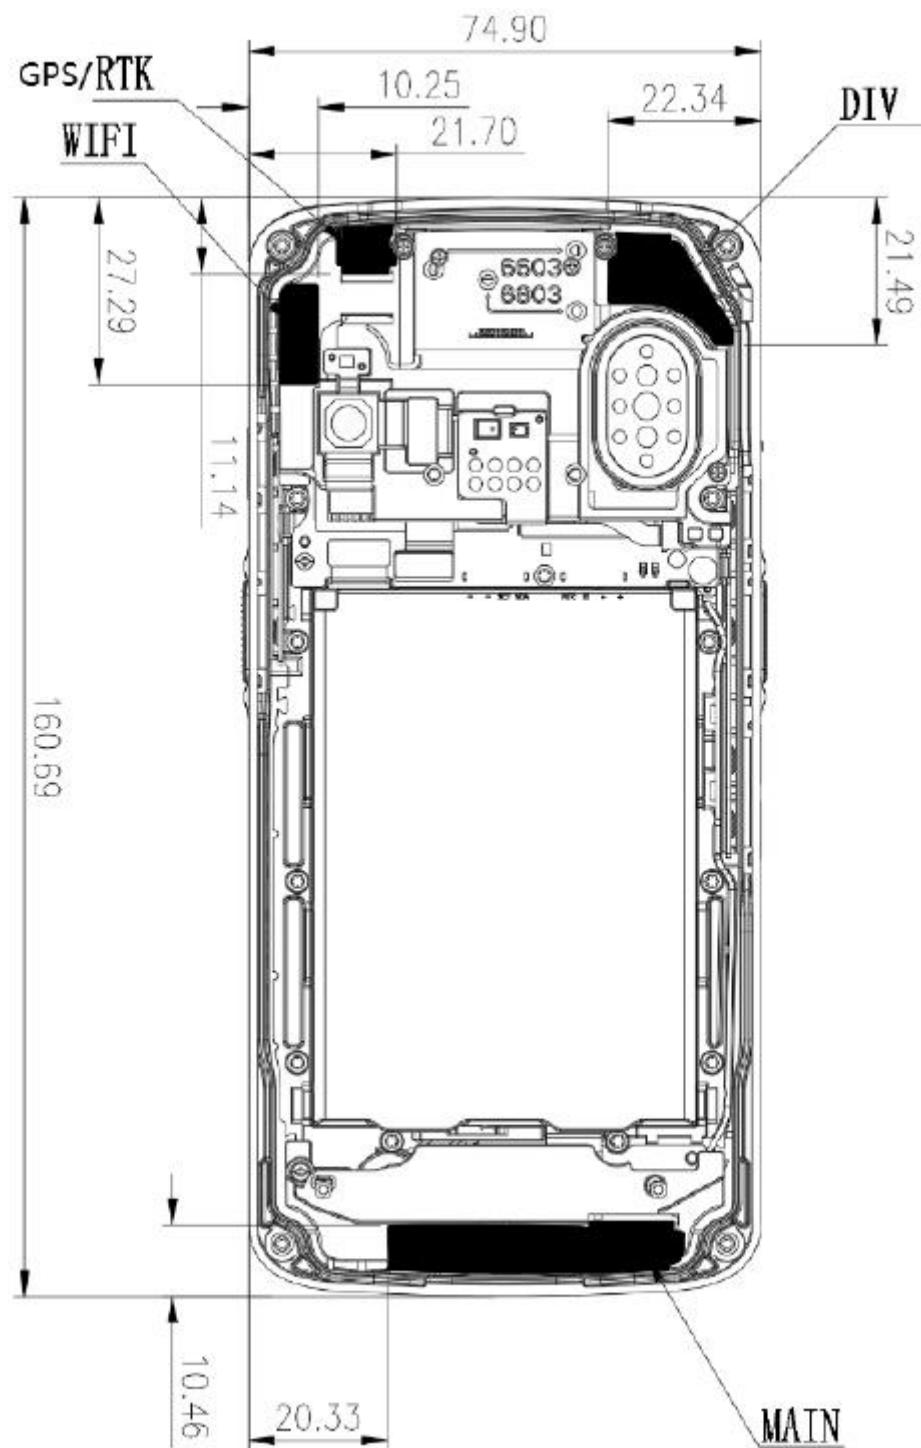

Photo 2: Left cheek	Photo 3: Left tilted
 A photograph showing a white cylindrical object, representing a human head, positioned in a black test fixture. The fixture is mounted on a black base with several black knobs. The object is held in place by a white foam block and a black strap. The background is dark and out of focus.	 A photograph of the same setup as Photo 2, but the white cylindrical object is tilted to the left. The black fixture and base remain the same, with the white foam block and black strap holding the object in place.
Photo 4: Right cheek	Photo 5: Right tilted
 A photograph showing the white cylindrical object from a different angle, representing the right cheek. The object is held in the same black fixture with a white foam block and black strap. The background is dark and out of focus.	 A photograph of the same setup as Photo 4, but the white cylindrical object is tilted to the right. The black fixture and base remain the same, with the white foam block and black strap holding the object in place.

Photo 6: Front side 0mm	Photo 7: Back side 0mm
 A photograph showing the front side of a smartphone held vertically. The screen is dark, and the back of the device is visible, showing a black case with two circular camera lenses and a yellow sensor bar.	 A photograph showing the back side of the same smartphone. The camera module and sensor bar are clearly visible.
Photo 8: Left side 0mm	Photo 9: Right side 0mm
 A photograph showing the left side of the smartphone. The edge of the screen and the side profile are visible.	 A photograph showing the right side of the smartphone, mirroring the view from Photo 8.
Photo 10: Top side 0mm	Photo 11: Bottom side 0mm
 A photograph showing the top side of the smartphone. The top edge of the screen and the side profile are visible.	 A photograph showing the bottom side of the smartphone. The bottom edge of the screen and the side profile are visible.

Photo 12: Front side 10mm	Photo 13: Back side 10mm
	
Photo 14: Left side 10mm	Photo 15: Right side 10mm
	
Photo 16: Top side 10mm	Photo 17: Bottom side 10mm
	

4. EUT Antenna Locations

5. EUT Constructional Details

Details please Refer to Appendix – Photographs for SZCR2404001381AT.
