

USER MANUAL

WELCOME

Welcome to your FitBark, a beautiful activity monitor that gives you new insights into the health and the behavior of your dog.

SET UP

You can setup and sync your FitBark with mobile devices that support Bluetooth 4.0 technology (Bluetooth Smart). To verify if your mobile device is compatible with your FitBark, please visit www.fitbark.com/faq

1. DOWNLOAD THE APP

Download and install the FitBark mobile app from the App Store (iOS) or Google Play Store (Android). If you already have the FitBark mobile app installed, make sure you have the latest version.

2. PAIR YOUR FITBARK

Enable Bluetooth 4.0 on your mobile device and make sure it's connected to the internet. Open the FitBark mobile app and follow the on screen instructions step by step.

3. YOUR FITBARK IS READY

Fix the FitBark on your dog's collar following the instructions on the mobile app and start collecting data.

NOTE

To fully charge or recharge your FitBark, open the usb cap on the bottom of the device and use the cable provided to connect your FitBark to any computer USB1 or USB2 port or a Class 2/Limited Power Supply with an USB output for at least 1 hour.

If you experience trouble pairing your FitBark, please visit our support page at www.fitbark.com/support

DECLARATION OF CONFORMITY

FCC COMPLIANCE STATEMENT

This device complies with Part 15 of the Fcc Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference, and
 2. This device must accept any interference received, including interference that may cause undesired operation.
- Warning: Changes or modifications to his unit not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- Consult the dealer or an experienced radio/TV technician for help

CANADIAN COMPLIANCE STATEMENT

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

1. This device may not cause interference, and
 2. This device must accept any interference, including interference that may cause undesired operation of the device.
- This device complies with Health Canada's Safety Code. The installer of this device should ensure that RF radiation is not emitted in excess of the Health Canada's requirement. Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Le présent dispositif est conforme aux CNR exemptes de licence d'industrie Canada. Le fonctionnement de ce dispositif est autorisé sous réserve des deux conditions suivantes applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

1. Ce dispositif ne doit pas produire de brouillage, et
2. L'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Cet appareil est conforme avec Santé Canada Code de sécurité 6. Le programme d'installation de cet appareil doit s'assurer que les rayonnements RF n'est pas émis au-delà de l'exigence de Santé Canada. Les changements ou modifications non expressément approuvés par la partie responsable de la conformité pourraient annuler l'autorité de l'utilisateur à utiliser cet équipement.

EMC DIRECTIVE 1999/5/EC

FitBark Inc. hereby declares that the FitBark conforms to the fundamental requirements and other relevant provisions of directive 1999/5/EC. The full text of the declaration of conformity can be viewed on our website at www.fitbark.com
