Regarding FCC Country Code Selection guidelines identified in KDB 594280 D01 v02r01.

“All applications for equipment authorization for transmitters that can have radio parameters, or other technical parameters, reported to the Commission set by software must have an attestation indicating that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.”

We declare that no third party will have software, or configuration control, to program the device out of compliance of the technical rules under which it has been certified.

Date: Sept. 22, 2023

Name: Rock Huang

Title: Technical Manager

Signature of applicant

A handwritten signature in black ink that reads "Rock Huang". The signature is written in a cursive, slightly slanted style.
