Dear,

We,

Cubee Hypermedia Inc.

The product Familybook, Model: familybook Genesis 1, FCC ID: 2ADJQ14A11G6, we found that the design has some problems; our company wants to withdraw the FCC grant.

We just design this product and didn't put it into the market. We want to update the design and then apply the FCC grant. So please help us to withdraw the FCC grant.

We really appreciate your help. Have a good day!

Thank you
