
Before you begin, you will need the following items to successfully set-up and register your Ghost

- ◆ A registered and connected Amazon Echo, Echo Dot, or Echo Show.
- ◆ A Bungie Destiny account.
- ◆ A Wi-Fi enabled mobile device or personal computer.
- ◆ A Wi-Fi router with an active Internet connection.

CONNECT YOUR GHOST TO A POWER SOURCE

- ◆ Remove your Ghost, wall adaptor and provided USB cord from packaging.
- ◆ Insert the small end of the USB cable into the back of Ghost Unit. Insert the other end of the USB cable into the wall adaptor or an available USB port on your computer. Plug the wall adaptor into an appropriate wall socket.
- ◆ The red LED on the front of the Ghost will steadily illuminate, indicating power. Additionally, the center light on the front of the Ghost will “breathe” indicating the Ghost is ready to be configured for Wi-Fi.

TECHNICAL INFORMATION:

- ◆ Power supply: VMAX 5V---2A
- ◆ Frequency range: Device receives and transmits Wi-Fi frequencies at a range of 2.4 GHz
- ◆ Maximum frequency power and available at:
www.destinythegame.com/Destiny2Ghost/doc

CONFIGURE GHOST TO CONNECT TO WI-FI

- ◆ This step will require your Wi-Fi enabled mobile device or personal computer.
- ◆ Open your network and Wi-Fi settings. Turn on your Wi-Fi.
- ◆ Select “**GhostCompanion**” from the available networks. Tap/click “**Join**”.
- ◆ When successfully connected, the lights in the wings will “breathe” in sync with the center light.

CONNECTING GHOST TO WI-FI

- ◆ From your mobile device or personal computer, open your preferred web browser.
- ◆ Navigate to the IP address: **192.168.0.1**
- ◆ Locate the Ghost serial number on the back of your Ghost. The serial number is an eight-digit number on a sticker under the Mode switch. Enter the serial number into serial number field.
- ◆ Select your preferred network from the available networks list.
- ◆ Enter your selected networks password and Tap/click "**Connect to network**".
- ◆ Ghost will restart automatically and connect to the selected Wi-Fi network. While attempting to connect, Ghost's center light will intermittently flash. A successful Wi-Fi connection is indicated by an on-screen success message. Ghost will also flash its center and wing lights three times.

INSTALL GHOST SKILL

- ◆ From the Wi-Fi success page, Tap/click "**Install Alexa Skill**".
- ◆ You'll be redirected to the Ghost Skill page where you need to enter your Amazon.com user name and password in the appropriate fields. Tap/click "**ENABLE**".
- ◆ From the Bungie account page, select your platform and sign-in with the email address and password that you use for your console or PC account. Tap/click "**Sign In or Next**".
- ◆ You will then be asked to allow Bungie to access your Amazon information. Tap/Click "**Accept**".

REGISTER YOUR GHOST

- ◆ Once you have installed the skill, say, “**Alexa. Tell Ghost to activate.**” Ghost’s center and wing lights will begin to alternately flash.
- ◆ Alexa will ask you to say Ghost’s 8-digit serial number.
- ◆ Clearly say aloud the 8-digit serial number from the back of the Ghost.
- ◆ Ghost will notify you that registration was successful by flashing the center and wing lights three times and by saying, “**Eyes up Guardian.**”

FCC warning:

Any Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment complies with FCC radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

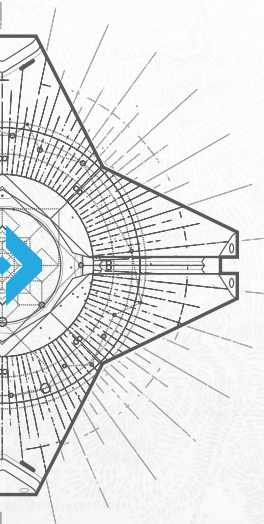

Hereby, Idea Planet,LP Inc. declares that the radio equipment type Destiny 2 Alexa Ghost is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following address: www.destinythegame.com/Destiny2Gghost/doc

LIMITED HARDWARE WARRANTY: Activision warrants to the original consumer purchaser of this hardware ("Hardware") that the Hardware will be free from defects in material and workmanship for 360 days from the date of purchase for consumer purchases made in the U.S. If the purchaser finds the Hardware defective within 360 days of original purchase, Activision agrees to replace, free of charge, such Hardware discovered to be defective within such period as long as the Hardware is still being manufactured by Activision. In the event that the Hardware is no longer available, Activision retains the right to substitute a similar product of equal or greater value. Any replacement Hardware will be new or refurbished or serviceably used, at Activision's option, and comparable in function and performance to the original Hardware. This warranty is limited to the Hardware as originally provided by Activision and is not applicable to normal wear and tear. This warranty shall not be applicable and shall be void if the defect has arisen through abuse, mistreatment, or neglect. This remedy is the purchaser's sole, exclusive remedy, and is in lieu of all other express warranties. Any implied warranties on this product prescribed by statute, including but not limited to an implied warranty of merchantability or fitness for a particular purpose, are expressly limited in duration to the 360-day period described above. For consumer purchases made outside the U.S., consumers may have different or additional rights depending on the laws of the country of purchase. Activision reserves the right to modify this warranty prospectively at any time and from time to time in our sole discretion. When returning any Hardware for warranty replacement please visit: <http://warranty.activision.com> for information on initiating and completing the warranty replacement process. For all warranty replacements, send
