Regulatory Compliance

This product complies with the following:

- Federal Communications Commission (FCC) – USA
- Industry Canada Equipment Standard for Digital Equipment (ICES-003) – Canada

FCC Part 15 Notice

Changes or modifications made to this equipment not expressly approved by MAD Apparel, Inc. could void the user's authority to operate the equipment.

FCC Class B Notice

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

 This device may not cause harmful interference.

(2) This device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

Industry Canada Notice - Avis l'industrie Canada

Operation is subject to the following two conditions:

 This device may not cause interference.
This device must accept any interference, including interference that may cause undesired operation of the device.
