

# Antenna Specification

| Design Specifications | Typical   |
|-----------------------|-----------|
| Antenna Type*         | PCB       |
| Working Frequency     | 433.60MHz |
| Impedance             | 50 ohm    |
| Overall Dimensions*   | 72mm*9mm  |
