Re: Confidential Treatment Request for FCC ID: 2ADU5-4902

To whom it concerns:

Quill Royal LLC and its affiliates ("Quill Royal") request confidential treatment pursuant to 47 C.F.R. §0.457 and 47 C.F.R. §0.459 for the exhibits listed below, filed in connection with Equipment Authorization for the product with FCC ID 2ADU5-4902.

Short-Term Confidentiality

Please hold the following exhibits for 180 days of confidential treatment from the date of grant of the equipment authorization:

- User manual/Quick Start Guide
- Test setup photos
- Internal photos
- External photos

These materials contain non-publicly available, proprietary information about our device and Quill Royal does not share this information with third parties without a non-disclosure agreement to protect confidentiality. Disclosure of this information prior to commercial launch of our device would negatively impact Quill Royal and give our competitors an unfair advantage.

Long-Term Confidentiality

Please hold the following exhibits contained in our application for permanent confidentiality:

- Antenna Specification
- UNII Device Software Security Description
- Schematics
- Block diagram

QUILL ROYAL LLC

- Operations description

These materials contain detailed, sensitive technical and design information that Quill Royal does not share with any other party without a non-disclosure agreement. Disclosure of this information even after the product is publicly launched would harm our ability to compete and give our competitors an unfair commercial advantage.

Thank you in advance for your assistance.
