

Date: 8/12/2015

To whom it may concern,

We are requesting an original certification for our device. Our device uses the Nordic Semiconductor nRF8001, which is a Bluetooth® Smart v4.0 Connectivity IC with integrated radio.

The model number is:

- STAR WATCH - BD1

The applicable rule part is:

- FCC 15.247:2015

Our device ID is:

- FCC ID: 2ADZLS1

Thank you for your assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher Mott".

Christopher Mott
