## Request for Class II Permissive Change

FCC ID: 2AE5MBTF10

Date: 2019-6-17

TO: Federal Communication Commission

Please be notified that we, the undersigned, *EuroCB (Phils.), Inc.* declare that the reasons for this Class II permissive change are as below:

*Cosmetic change: Front markings and colors*

*Tuning change: Output power adjusted to 10dBm for CONNECT instead of 18dBm for ACTIVE during production, by tuning the CSR 8670 power settings.*

Thank you.

Sincerely.
