Subject: authorization for adding family models

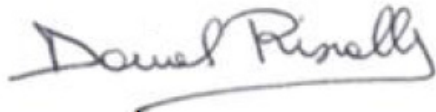

To whom it May concern,

Statement

All models (THB4001, THB4002) are the same in PCB circuit, PCB Layout, components and internal structure, only product name, model name, brand name and appearance color are different. The model THB4002 is the tested sample.

Yours sincerely,

ZippyYum LLC

A handwritten signature in black ink that reads "Daniel Riscalla". The signature is written in a cursive style and is underlined with a single horizontal stroke.
