

WRIST + WALKIE TALKIES

INSTRUCTION MANUAL

5+

Thank you for purchasing your Nerf Wrist Walkie Talkies. You can use your walkie talkies to easily talk to your friends and look at the built-in watch to view the current time. For best results, read this instruction manual first before using.

PACKAGE CONTENTS

- Two Wrist Walkie Talkies
- 12pcs AG10 batteries
- Instruction Manual with Warranty Information

FEATURES

- Stay in touch with your friends!
- Perfect for indoor and outdoor play!
- Push-to-talk button and ON/OFF switch
- Built-in watch
- Each uses 6pcs AG10 batteries (included)

INSERTING BATTERIES

Each walkie talkie requires 6 AG10 batteries for power.

When first using your walkie talkies pull out the paper tab covering the battery compartment.

To insert or replace batteries, use a screwdriver to remove the screw on the battery compartment door. Note that the battery compartment is located on the rear of each walkie talkie. Once the battery compartment is open, insert batteries with the correct polarity (+,-) as displayed in the battery compartment. After the batteries have been inserted, close the battery compartment, and once again use a screwdriver to screw the battery compartment door in place.

USING YOUR WALKIE TALKIES

Once batteries are inserted you can follow the steps below to use your walkie talkies:

1. Slide the ON/OFF switch on each walkie talkie to the ON position.
2. Hold one walkie talkie close to your mouth.
3. Press the PUSH TO TALK button, and speak clearly to transmit a message to the other walkie talkie.
4. Release the PUSH TO TALK button when you are finished talking so that you can hear any incoming messages from the other walkie talkie.
5. When you are finished using your walkie talkies, slide the ON/OFF switch on each walkie talkie to the OFF position to power them off.

BATTERY WARNING:

- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc) or rechargeable (nickle-cadmium) batteries.
- Batteries are not to be inserted with the wrong polarity.
- Exhausted batteries are to be removed from the toy.
- The supply terminals are not to be short-circuited.

Please recycle or dispose of the battery properly. Contact local recycling facilities and/or the manufacturer of your battery for further information

USING THE WATCH FEATURE

Lift open the cap to reveal the built-in watch.

Press the MODE button continuously to toggle through time, date and stop watch modes.

In time mode, the current time will be shown on the display screen.

In date mode, the current date will be shown on the display screen.

When in time mode, press the SET button two times to enter settings mode.

In settings mode, you can change the value of the current setting by pressing the MODE button, and confirm your setting and move on to the next selection by pressing the SET button.

The settings mode will let you adjust the following settings:
MONTH-->DATE-->HOUR-->MINUTE
