

Declaration Letter

Date: 8 July 2019

FCC ID: 2AE8ZAMGC

We, Omnitracs LLC hereby declare that:

1. 2.4GHz and 5GHz (U-NII-1 and U-NII-3) both support Master/Slave without radar detection mode.
2. DFS band (U-NII-2A and U-NII-2C) only supports Slave without radar detection mode.

Should you have any question regarding this declaration, please don't hesitate to contact us. Thank you.

A handwritten signature in black ink, appearing to read "Greg Norombaba", is written over a horizontal line.
