RE: AOC  
FCC ID: 2AEB5-A726W  
FCC Certification Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. AOC requests that the following documents regarding this submission for FCC ID: 2AEB5-A726W be kept Long-Term confidential:

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Schematics.pdf
Operational Description	Operational Description.pdf

Those documents contain detailed system and equipment description and related information about the product which AOC considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, AOC considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours Sincerely,

A handwritten signature in blue ink that reads "Carol Sung". The signature is written in a cursive style with a small flourish at the end.
