Subject: FCC Class II Permissive Change Request (2AECKUBH01)

To Whom It May Concern:

We, Ubicquia, Inc., are requesting a Class II Permissive Change for FCCID: 2AECKUBH01, original Equipment Authorization Grant issued on April 1, 2022.

This CIIPC change request is to add the U.S. DFS Channels: UNII-2A and UNII-2C Bands. No hardware or electrical modifications have been made to the original application, and thus the transmitter is unchanged.

If you have any questions or comments, please do not hesitate to contact us.

Sincerely,

Gustavo Suarez
Director of Electrical Engineering
