## **Axonics Cover Letter for Application-FCC**

Federal Communications Commission  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, Maryland 21046

Re: Cover Letter for FCC Application  
FCC ID: 2AEEGP  
Model: 2301

To whom it may concern,

Axonics Modulation Technologies, Inc is submitting the Patient Remote Control (PR) for FCC original certification (Model: 2301), a medical device, under the FCC ID Rule Part 95i.

The radio product is equipped with MedRadio transceiver. It operates at the 401 MHz to 406 MHz wireless spectrum.

The Patient Remote Control's (PR) FCC ID shall be "FCC ID: 2AEEGP" and Model: 2301.

Sincerely,

Rinda Sama  
COO, Chief Operating Officer  
Axonics Modulation Technologies, Inc
