

13. Safety Information

- Medical Warning**
The heart rate monitor is not for medical use and can be interfered by external causes. Data is for reference only.
- Data Security**
Accidental damage and misoperation could cause loss of data. We recommend to use COROS APP to sync the data regularly. When connected to the internet, data will be uploaded to COROS server automatically.
- Privacy Protection**
Please check out our detailed privacy information and service agreement on COROS APP at "Personal Page" > "About".
- Battery Safety**
Under no circumstance is the battery allowed to be removed or replaced without professional assistance. Extensive heat exposure could lead to explosion, fire, and other dangerous conditions.

14. Limited Warranty

THIS LIMITED WARRANTY GIVES SPECIFIC LEGAL RIGHTS, AND YOU MAY HAVE OTHER LEGAL RIGHTS, WHICH VARY FROM STATE TO STATE (OR BY COUNTRY OR PROVINCE). COROS DOES NOT EXCLUDE, LIMIT OR SUSPEND OTHER LEGAL RIGHTS YOU MAY HAVE UNDER THE LAWS OR YOUR STATE (OR BY COUNTRY OR PROVINCE). FOR A FULL UNDERSTANDING OF YOUR RIGHTS YOU SHOULD CONSULT THE LAWS OF YOUR STATE, COUNTRY OR PROVINCE.

Non-aviation products are warranted to be free from defects in materials or workmanship for one year from the date of purchase. Within this period, Coros will, at its sole option, repair or replace any components that fail in normal use. Such repairs or replacement will be made at no charge to the customer or parts or labor, provided that the customer shall be responsible for any transportation cost. This Limited Warranty does not apply to: (i) cosmetic damage, such as scratches, nicks and dents; (ii) consumable parts, such as batteries, unless product damage has occurred due to a defect in material or workmanship; (iii) damage caused by accident, abuse, misuse, water, flood, fire, or other acts of nature or external causes; (iv) damage caused by service performed by anyone who is not an authorized service provider of Coros; (v) damage to a product that has been modified or altered without the written permission of Coros; or (vi) damage to a product that has been connected to power and/or data cables that are not supplied by Coros. In addition, Coros reserves the right to refuse warranty claims against products or services that are obtained and/or used in contravention of the laws of any country. Coros navigation products are intended to be used only as a travel aid and must not be used for any purpose requiring precise measurement of elevation, distance, location or topography. Coros makes no warranty as to the accuracy or completeness of map data. This Limited Warranty also does not apply to, and Coros is not responsible for, any degradation in the performance of any Coros navigation product resulting from its use in proximity to any handset or other device that utilizes a Global Navigation Satellite System (GNSS) such as the Global Positioning System (GPS). Use of such devices may impair reception of GNSS signals. Before seeking warranty service, please access and review online help resources available on www.coros.com/pages/limited-warranty. If your device is

still not functioning properly after making use of these resources, contact a Coros Authorized service facility in the original country of purchase or follow the instructions on www.coros.com/pages/limited-warranty to obtain warranty service. If you seek warranty service outside of the original country of purchase, Coros cannot guarantee that the parts and products needed to repair or replace your product will be available due to differences in product offerings and applicable standards, laws and regulations. In that case, Coros may, in its sole discretion and subject to applicable laws, repair or replace your product with comparable Coros products and parts, or require you to ship your product to a Coros Authorized service facility in the country of original purchase or to a Coros Authorized service facility in another country that can service your product. In which case you will be responsible for complying with all applicable import and export laws and regulations and for paying all custom duties, V.A.T., shipping fees and other associated taxes and charges. In some cases, Coros and its dealers may be unable to service your product in a country outside of the original country of purchase or return a repaired or replaced product to you in that country due to applicable standards, laws or regulations in that country. **Online Auction Purchases:** Products purchased through online auctions are not eligible for rebates or other special offers from Coros Warranty coverage. Online auction confirmations are not accepted for warranty verification. To obtain warranty service, an original or a copy of the sales receipts from the original retailer is required. Coros will not replace missing components from any package purchased through an online auction.

International Purchases: A separate warranty may be provided by international distributors for devices purchased outside the United States depending on the country. If applicable, this warranty is provided by the local in-country distributor and this distributor provides local service for your device. Distributor warranties are only valid in the area of intended distribution. **Australian Purchase:** Our goods come with guarantee that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. The benefits under our Limited Warranty are in addition to other rights and remedies under applicable law in relation to the products. MCO Australia PO Box 258 Keoneth, 3079 Victoria, Australia.

15. Returns

Products purchased from Coros Wearables, Inc. can be returned within 30 days of receipt of shipment for a refund. The items must be in the product's original packaging and be in new, resellable condition (unless being returned for shipping damage). Customer accommodation returns (ex. ordered the wrong size) may incur an inspection and restocking fee of up to \$10.00 and the customer will be responsible for the return shipping charges. There are no fees for items being returned for warranty issues within the one year warranty period and Coros will pay the shipping charges. Replacements will be for the same size and color as the original purchase. Products purchased from a retail location must be returned to that location and will be subject to the retailer's return policy.

16. Certification

FCC Statement
This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-- Reorient or relocate the receiving antenna.
-- Increase the separation between the equipment and receiver.
-- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
-- Consult the dealer or an experienced radio/TV technician for help.
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

PACE

Multisport Watch

Quick Start Guide

COROS WEARABLES INC.
 Address: 3310 Noble Pond Way, Suite 207, Woodbridge, VA 22193
 Email: info@coros.com
 Facebook: <https://www.facebook.com/coroscycling/>
 Twitter: <https://twitter.com/CorosCycling>
 Website: www.coros.com

1. Charging and Switching on

Insert the charging cable into PACE and insert the cable to charging station for charging.

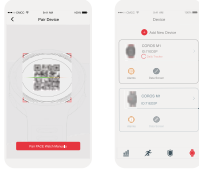

2. COROS APP Downloading the COROS APP

Once the watch is turned on, scan the QR code from the watch with your phone to download the COROS APP.

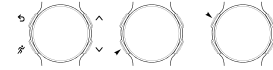

3. Pairing with the watch

Turn on the Bluetooth setting on your phone, Open the COROS APP and go to "Device" page. Click on "Add New Device", start scanning the QR code on your watch to finish pairing.

4. About your watch

Insert the charging cable into PACE and insert the cable to charging station for charging.

Confirmation Key	On "Clock/Timer" page, select to view App list On "Workout Mode", select to start and stop Hold to turn the device on and off
Return Key	Hold to enter "Quick Menu"
Up Key	Select to scroll up list On "Music" page, hold to increase volume
Down Key	Select to scroll down list On "Music" page, hold to decrease volume

5. Heart Rate Monitor

In order to ensure the accuracy of heart rate monitor, please fasten your watch band and make sure the watch fits securely against your wrist.

6. Water Resistance

The watch has a water resistance rating of 5 ATM. It means the watch can withstand pressures equivalent to a depth of 50 meters but it doesn't mean it can be worn under 50 meters when diving. In addition, please don't press any keys while in water.

7. GPS

When you choose to record outdoor activities, the GPS function will be turned on automatically. For better accuracy, make sure you are on a location with no interference for GPS to finish locating your position before starting any activities.

8. Calibrating altitude and geomagnetic sensor

When using for the first time, please select "APP list" > "Settings" > "Calibration", then finish the calibration of altitude and geomagnetic sensor.

9. Pairing with external sensors

PACE supports pairing with external sensors that are Bluetooth Smart and/or ANT+ enabled. Please select "APP list" > "Settings" > "Accessories" > search for devices and finish pairing.

10. Daily Maintenance

- After exercise, please thoroughly clean the watch and watch band in case of sweat.
- Please ensure the watch stays dry when making contact with the skin. If skin irritation occurs, please take off the watch immediately.
- Several residues will corrode PACE. Please maintain regular clean on the watch.
- Make sure the cleanliness on the heart rate monitor and charging port.
- Avoid excessive hotness and coldness exposure.

11. Changing the watch band

- Any physical damage and longtime usage of the watch band is not under warranty.
- Please shop for original watch band should you need to change or replace.

12. Specifications
