Office  
Saab TransponderTech AB

To whom it may concern,

Saab Transponder Tech AB is the manufacturer of FCC approved R5 AIS equipment with FCC ID QWZR5-AIS.

The Nauticast A2 provided by Nauticast GmbH is manufactured by Saab TransponderTech AB, and is identical in terms of technology to the R5 AIS product range.

We hereby approve and support that Nauticast GmbH may request its own FCC certification based on the FCC ID already assigned to Saab TransponderTech AB.

Yours sincerely,

Johan Lindborg  
Product Manager R5 Shipping products

A handwritten signature in blue ink, appearing to read "Johan Lindborg", written over a light blue horizontal line.
