Subject: Application for Class II Permissive Change for FCC ID 2AEIM-1023049

To whom this may concern.

This is a request a Class II permissive change for FCC ID: 2AEIM-1023049 which has an original grant date of 01/05/2015.

The change filed under this application is –

1. Digital circuitry change.

The device has the identical form, fit and function to the original device. The enclosure, RF components, and antenna are identical as originally certified device, and the output power rating remains identical. All previously submitted docs remain unchanged.

If you have any question regarding this application, please feel free to contact me.

Best

A handwritten signature in blue ink that reads "David Woo". The signature is written in a cursive, slightly slanted style.
