i Hint

This is hint sign. This type of content contains supporting information that may be helpful to you.

Note

Precautions

- Do not install this unit where the operation and condition for driving safely is compromised.
- Do not operate the unit while the car is in motion. The use of video playback while driving is a violation of traffic laws and increases the risk of traffic accidents.
- > To ensure safe driving, please adjust the volume to a safe and comfortable level in case of emergency situations.>
- Never disassemble or adjust the unit without any professional guidance. For details, please consult any professional car shop / dealer for inquiry.

Before Using

- > Turn the vehicle ignition ON or ACC before using the car audio system.
- To prevent damage to the screen, avoid touching the screen with sharp objects.
- Do not impact the LCD screen which could cause damage.
- If the front panel or LCD screen is dirty, please use a clean silicone cloth and neutral detergent to wipe off the spot. Using a rough cloth and non-neutral detergent such as alcohol for cleaning may create scratches or discoloration to the screen.

About Radio

During driving, due to road conditions, weather and other environmental conditions, there may be no radio signal, noise, etc...

About USB Device

The unit cannot guarantee the compatibility of all USB storage devices.

About Bluetooth

- > The unit cannot guarantee the compatibility of all mobile phones together with the unit.
- During pairing, if the unit can't be found by your mobile phone, reopen the Bluetooth function of your phone and search again.

- If pair unsuccessfully, cancel the paired devices of your phone and reconnect.
- If Bluetooth function working abnormally, disconnect the device and reconnect it.
