### Battery Information

Your device has an internal, non-removable, rechargeable battery. Do not attempt to remove the battery, as you may damage the device. The battery can be charged and discharged hundreds of times,

but it will eventually wear out. Charging time can vary depending on device capability.

### Battery safety

If left unused, a fully charged battery will lose its charge over time. Always keep the battery between -10°C and 40°C (14°F and 104°F) for optimal performance. Extreme temperatures reduce the capacity and lifetime of the battery. A device may temporarily stop working if its battery is too hot or too cold. Do not dispose of batteries in a fire as they may explode. Obey local regulations. Recycle when possible. Do not dispose of as household waste. Use the battery for its intended purpose only. Improper use of, or use of unapproved or incompatible, batteries may present a risk of fire explosion, or other hazards, and may invalidate any approval or warranty.

If you believe the battery is damaged, take it to a service center or your local shop before continuing to use it. Never use a damaged battery. Do not charge your device during a lightning storm.

**DONT** attempt to remove the rechargeable lithium-ion battery from this product. Contact your local Urbanista retailer or other qualified professional for removal. Please dispose of used batteries properly, following local regulations.

### Disposal and Recycling Information

The symbol above means that according to local laws and regulations your product and/or its battery shall be disposed of separately from household waste. When this product reaches its end of life, take

it to a collection point designated by local authorities. The separate collection and recycling of your product and/or its battery at the time of disposal will help conserve natural resources and ensure that it is recycled in a manner that protects human health and the environment.

### Informations sur la mise au rebut et le recyclage

Le symbole ci-dessus signifie que, conformément aux lois et réglementations locales, vous devez mettre au rebut votre produit et/ou sa batterie séparément des ordures ménagères. Lorsque ce produit n'est plus utilisable, déposez-le dans un centre de collecte des déchets agréé par les autorités locales. La collecte et le recyclage séparés de votre produit et/ou de sa batterie lors de l'élimination contribuent à préserver les ressources naturelles et à protéger l'environnement et la santé des êtres humains.

### Informationen zur Entsorgung und zum Recycling

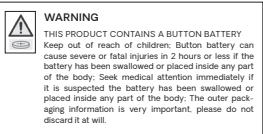

Das Symbol oben bedeutet, dass dieses Produkt und/oder die Batterie entsprechend den geltenden gesetzlichen Vorschriften und getrennt vom Hausmüll entsorgt werden muss. Muss dieses Produkt entsorgt werden, gib es bei einer offiziellen Sammelstelle ab. Durch getrenntes Sammeln und Recycling werden die Rohstoffreserven geschont und es ist sichergestellt, dass beim Recycling des Produkts und/oder der Batterie alle Bestimmungen zum Schutz von Gesundheit und Umwelt eingehalten werden. Du bist selbst für die Löschung aller Daten auf dem Gerät, einschließlich vertraulicher und persönlicher Daten, verantwortlich, bevor du das Gerät zum Recycling übergibst.
